WHO WE ARE

Tarabut Gateway is the first licensed Open Banking platform (AISP/PISP*) the MENA region, in accordance with the open banking regulations issued by the Central Bank of Bahrain.

By offering a common platform to banks, Tarabut Gateway enables financial institutions to deliver payment and information services to customers quickly and efficiently and provide secure and frictionless access to banks for third party providers.

The new collaborative infrastructure will enable the MENA to set new standards for digital banking services and deliver immediate value to its customers. To date, Tarabut Gateway has successfully established connections with all open banking compliant banks in Bahrain and through its B2B model has enabled financial institutions to deliver real value to their customers.
